The Premises:

Met Sue and Tracey together at Traceys house for an incall. The house is in a good quiet area of town, and is clean and comfy throughout. Sue also takes her bookings here alone.

The Lady:

Tracey is 34 years old, size 16 (as pointed out by another punter after I previously said a size 14....doh), about 5ft 4 with long hair.

Sue is 32 years old, I'm guessing at a size 12, about 5ft 2.

The Story:

After meeting with Tracey last week for a 2 hour outcall, I decided to take up the offer to meet up with them both, but it had to be a one hour visit as I was a bit stuck for time. These girls are both very good fun and so down to earth and chatty, and being good friends, they seem to gel with each other too. Nothing was too much trouble, and we experimented with several of my favourite things. What great value for money! Only ?40 per hour each. I haven't found anyone around who offers such great service for such a great price.

I'll definately be returning for more fun with either one or both of them.
