The Story:

Fabulous. Paris is a genuine gem in the business. Numerous FRs describing her services, so no long list here.

The booking experience was efficient and sensitively done. With contact by a combination of email, telephone and text.

As an occasional punter, one is always apprehensive at new incalls; will the lady be as described and what will she be like?

No worries on either count here, gorgeous lady with a fantastic attitude.

The location was easy to get to, a confident walk through a busy lobby to the directed floor. On entering her room, was presented with a tastefully dressed pretty woman with a body to die for.

With her experience and intelligence, Paris soon susses out what pushes your buttons and you are guaranteed an exceptional sexual experience.

Something else to mention is the added bonus that Paris is a highly intelligent woman so you have great company as well as great sex.

One more favorable FR is hardly news, but we must commend wherever excellence is given so a highly recommended from me.
