The Premises:

Basement flat in small quiet modern block in pleasant location about 5-10 minute walk from Paddington/Lancaster Gate. Some street parking. Spacious bedroom and decent shower.

The Lady:

Website photos are accurate. Quite pretty brunette teenage Romanian girl with decent body. Not a stunner but very acceptable.

The Story:

Monika is with various agencies mostly under the name of Monika though also Ruby on one website. I did not actually use Barracuda for this visit - I used another excellent agency whose name is unfortunately on the no-reports list.

This was a nice GF experience. Monika is a friendly and willing girl who - unusually for young Romanian WGs- speaks passable English. Semi-french kissing was permitted as was toy play. I didn't ask for OWO so not sure about that. Best to ask. She is exceptionally neat and trim below which made reverse oral a pleasure.

Overall a very nice experience which made up for my earlier wasted trip to Joana.
