The Lady:

wow rachel has returned, was so happy to see her again in london, better looking nice and firm body, big hard nipples.

The Story:

rachel is a star an always has been great, although we spent some time catching up. She immediately begun kissing me and on my willy sucking for thailand, and spread my ass licking me to clean finish, she has a very long tounge, which felt mind blowing as she flicked her tounge in and out and around my ass and onto my dick, she wanted to enter her pussy, fucked missionary style and doggie and finished in her mouth, i came soo much covering her face with some than missed her mouth, no time for round 2 which was my fault due to catching up.
