The Premises:

Clean, tidy, classy apartment on the route into Manchester just past Sainsbury's.

The Lady:

5ft 7ish slim size 8 with nice figure nice face and nice personality.

The Story:

Very very nice 1 hr spent with Greta. She has a sense of humour, looks fantastic, smells good and makes love rather than shags.

Bit of a gem really.

Had so much fun in the regular hour that I wanted to extend to 90 but was dashed at the last minute as someone had made a last minute final hour booking with her.

CI has some nice women but not all of them are so in Greta's league.
