The Premises:

Clean and tidy as per usual. Smart apartment just south of Deansgate. Parking is a hassle though.

The Lady:

Young, slim, short, a bit top heavy but very good looking all the same.

The Story:

Quiet lady seemed shy but bordered on disinterested. Conversation was limited - possibly under 100 words spoken if you discount initial pleasantries.

Cheshire Incalls / Companions have some great girls but truthfully this was a lousy 15 mins. Think she had a 2 hr appointment after mine so I'm presuming she wasn't really interested in me.

Did my usual fake orgasm act as I faced away and tried to beat myself into a frenzy. Just wanted to get out of there to be honest and check the parking meter to make sure I didn't go over 30 minutes and have to pay another ?1.50 for that. Problem was in my rush to get out of there I left my car keys on the bed side table and had to run back to collect them just as she started her 2 hr gig. End result - waste of ?60 and waste of ?3.00 parking. Waste of time on this occasion but still think CI / CC is the only place worth going to along with Sandys.
