The Story:

I have never seen a male "maid" before in 15 years of punting. Found it a bit off-putting but didnt matter once in the bedroom with Nadia.

Having had a terrible experience with Priyanka (and my report was 100% true despite her denials and calling me a liar), Indian Palace offered me a healthy discount (which remains between them and me so I have put the undiscounted price down)to try someone else. Was torn between Sara and Nadia, but chose Nadia as she is not working for a few months and this was her last day. She is also very hygiene conscious, which I personally felt a little OTT, but that's her right and I suppose it is reassuring. At least she was happy to touch my cock without a condom on. Very good OW, I had to tell her to slow down as it was so good. She felt nice and tight when I entered her and I didnt last too long. Talks a lot, worried I was uncomfortable etc, but I found that quite sweet. Really recommend her and would like to see her again.
