The Premises:

Very bright, airy & very clean. Nice quiet suburban street. Feels very safe to approach. You don't feel like you might be being watched

The Lady:

Lovely smile, blonde hair. 34DD (at least) tits, curvaceous (but not fat) figure, shapely legs, shaved pussy (clit ring)

The Story:

She welcomes you with a smile & a big kiss, then leads you to the bedroom where she gently kisses you & quickly gets down to sucking your dick (she's got a tongue stud). It's a fantastic experience & she quietly asks you what you like & don't like doing & will do small talk if you want it while she's working her magic on you. She'll make it as fast or slow as you like & she loves being kissed and the man playing with all of her too. She is happy to do full sex (protected only of course). Enjoy!
