The Lady:

5ft 6 ish ,shortish brown hair,I know Ang has had a bit of surgery but still pretty face with great lips,lovely curvy figure peach of an ass with great tits which i think are about 38ff to finish off an excellent all round package which i have never seen better in notts in 10 yrs of punting.

The Story:

Been seeing Angie for around 10yrs here and other places (Genesis)so she know excatly what i like.

Started off with great massage which she doe's great whilst also reaching under and wanking me off.Then turned over and had a great wank off her followed by amazing owo interspersed with tit wanking .

I allways like to give her reverse massage which she seems to enjoy followed by some fingering of her lovely tight pussy whilst she suck my cock again .

On with the condom onto the small bench and fucked that tight pussy whilst gazing at that peachy ass from behind turned her over and finished of in mish with some dirty encouragement from Angie.

Overall Angie is my favorite girl in Notts and i have seen a lot in 10 yrs but be warned she will not suffer fools.

Great Punt with a great girl sex on legs enjoy but treat her right please boys

Ang, Live long and prosper
