### The Premises:

Rather dowdy flat over a shop on Woolwich Road, just off the approach road to the Blackwall Tunnel

### The Lady:

Attractive Malaysian girl. About 5' 2" tall, slim but curvy with two very nice generous handfulls in the mammary department topped with prominent nipples. Long dark hair. Very friendly and accomodating.

### The Story:

Another good session at TickleS. Nancy had a few no go areas such as kissing and fingering inside her pussy, but for this price it was amazing value! She provided covered O without asking and we finished with Nancy on her back, bum on the edge of the bed, while I shafted her hard and deep.

Definitely Recommended!
