The Premises:

So individually Dolly that no other residence could be the same. Very very comfortable and clean. When the half completed mural is finished - WOW.

The Lady:

If your taste is for a woman to be a woman with curves in all the right places with gorgeous eyes and hair and body then Dolly fits the bill perfectly. Her Scottish lilty voice is mesmeric.

The Story:

Was met by Dolly at the corner of her street so she could ensure I did not get lost in finding her flat. Recognised her immediately as there is obviously no photoshopping on her site. Enjoyed a bottle of white wine together whilst enjoying an extremely relaxed chat. A sexy and sensual strip by Dolly got us both in the mood to enjoy gorgeous intimacy of OWO, Reverse O and passionate and wonderful full on kisses together, which was some of the best intimate and responsive activities enjoyed by me. Ran over time somewhat but hey who was clockwatching - neither of us - enjoying ourselves too much. Dolly is certainly one special lady.
