The Premises:

Debbie's renowned establishment has a justifiably high reputation for accommodation, location and hospitality. Located on Anerly Road, Debbie's has access at both front and rear (if you'll pardon the expression) and easy local parking. Debbie was maiding today and it was a pleasure to see her again as our paths had not crossed for some time.

The Lady:

Madison is a slim lass in her early twenties, raven haired, with Celtic good looks and very charming, shapely knockers.

The Story:

I opted for the house special with some attentive soapy fun in the shower. Once back in the room Madison gave me a nice massage on the circular bed followed by some slow, oily stimulation as she lay beside me. Plenty of kisses and cuddles accompanied this and was followed by unhurried, sensual OW before she climbed aboard to commence the podger. We concluded in missionary with increasingly enthusiastic kisses and a most satisfactory climax.

This was an accommodating GFE from a girl who is both pretty and friendly and it is much appreciated. Thank you Madison. I look forward to a return match.
