The Story:

This is my second FR for ego today, I hope it isn't rejected since it ain't a forgery, I just seem to have an urge to write them today. Still I have visited ego's a number of times now and have recieved an excellent sevice. It is truly relaxing to to take things slowly and have a beautiful woman massage you body before HR at the end.

Nina is an out and out expert at massaging and this helps for a very good experience. She is also very good looking and has an almost innocent manner. She did not like me touching her bits as much as the other girls - fair enough I may have gone too far - sorry Nina for this. But this did not detract from the service and excellent HR with complete naturist massage. She is very pretty and has a superb body. I'll definately be back for more since I can just about afford the ?45 usually charged. Today I went for the extra nude ?10 option.
