The Story:

Looking for something a bit special to celebrate my birthday and was recommended Savannah Gold.

Asked if she could wear an outfit as a special treat and when I opened the door I was met by the naughtiest schoolgirl outfit I have ever seen!! The next two hours flew by and I was absolutely shattered by the end. Don?t really want to go into specifics but let?s just say I went to heaven and back!

Savanah really knows how to use her body and she gave me the best birthday ever!! Also great to talk to and really a very intelligent girl. As soon as funds permit I will be back ? please treat her with care ? I?ll be back, soon??
