### The Premises:

Anie works from a second floor flat in a building near Marylebone station, area is safe and flat is clean.

### The Lady:

Annie is Thai and is so fucking sexy, she looks slim, young and innocent, but has a naughty side too. She was dressed in PVC with knee high boots and looked amazing.

### The Story:

She must be one of the naughtiest girls i've seen, she started with a bath where she got very close to me sucking rubbing her body over mine and my cock, and then sucking me off in the bathtub until I came in that sweet little mouth and watched the cum dribble down from her lips where she rubbed it in her boobs before we showered off.

Back in the bedroom she took out a whip and pushed me down to the floor and beat me before putting on a strap on and making me suck it before fucking my bumhole. I begged her to stop but she told me to shut up and be a good little boy so I did as I was told, and when she felt she had had her way with me, she made me lick her very wet and juicy pussy. She loved this and when she was ready she told me to fuck her now, so it didn't take long before I was pounding away at her soaking wet pussy.

I didn't want to cum too fast so slowed down and flipped her over to doggy and I took a small toy and stuck it up her arse while my cock was inside her. This felt really good and I finally flipped her over to ride me to completion and I pulled out of her pussy and came all over her sweet little face.

Annie is a dirty girl and she loves sex and can switch from sweet and innocent, to full on dominatrix. She is someone worth experiencing as her service is a big step above most escorts I have seen!
