The Story:

I had made an appointment over the phone earlier in the day, making it clear that I wanted the full GFE which would include FK and OWO. I asked which girl would be best for this and was told Linda. The lady I was speaking to did sound a bit vague about the GFE which I should have taken as a warning sign. On arrival I was shown into the bedroom which had an ensuite bathroom. Linda came in shortly after, I told her I was expecting the full GFE and she asked me what did I mean by this. She then told me it would be ?10 extra for kissing and ?20 extra for OWO (I think I've remembered these amounts correctly, but could be mistaken). I'm happy to pay for services (obviously!) but I want to agree the service and the price before I arrive, not have to haggle with the lady. It crossed my mind to leave there and then, but I decided to decline the additional services and continue without them.

I'm glad I did because within the limitations imposed (no kissing and oral with) I had a great time with a willing and able lady with a stunning body and a very pleasant personality. English not the greatest, but enough to get by. I liked her a lot.

One day I'll return (other ladies to try first), but I'll need to remember to fully agree the services and price beforehand.
