The Premises:

Nice enough place, hallway a bit shabby but flat was lovely.

The Lady:

Gorgeous Estonian girl. Photos on website don't do her justice. Beautiful face and fantastic slim body with a cracking rack.

The Story:

Lana met me at the door in a sexy, skintight, red latex nurse outfit. Towered over me in heels but giggled and removed her shoes to be the same height. After showering we had a short chat which led naturally into kissing and then unwrapping her luscious body. There followed a fantastic hour of sucking, fucking and nibbling. Gorgeous tight shaved pussy, tasted amazing. Her oral is great, wet and sloppy with lots of teasing and ball-licking before some amazing deep throat sword-swallowing. Almost came but managed to stop myself as I wanted to feel that beautiful pussy round my cock. Sliding my cock into her felt fantastic. Nice, slow deep fuck before switching back to oral. Didn't last long and had a really intense orgasm. Took me right to the back of her throat as I came and held me there as my cock spasmed and spurted in her mouth. Fantastic!
