The Premises:

Very nice, brand new apartment block. Easy to find, and very discreet.

The Lady:

Tall, leggy blonde, with fake boobs. Latvian origin. Website claims she's 19, but she confirmed she's 24 (and looks it)

The Story:

Arrived a few minutes early and another escort opened door. She asked who I wanted and there seemed to be a little confusion over this. They discussed the matter in Latvian and finally Paulina asked me in. After a money exchange, she disappeared for 10 minutes. Finally arrived, gave me a massage, and a BBBJ which was very dull. Finally did her doggie, came within a few seconds. She then lay on the bed looking thoroughly bored.

Tried sex again but she was not interested, reminded me I had minutes left (but I had 15) so I just left. Wouldnt go back!
