The Premises:

The former HOD2 ground floor flat, redecorated / refitted since I was last there. Usual clean and functionary standard. My tip for here is dont even bother looking for the free parking right outside, its always full. The pay area is always empty and 1 minute walk away.

The Lady:

As previously reported stunning blonde, Nuts / Zoo mag type. I have to say I honestly fancied her the moment she came in!

The Story:

As soon as Caitland came in, she started easy going conversation and things flowed from there. Offered massage which was more of a chat and laugh than anything else.

OWO and DFK with lots of body contact and RO before much energetic sex. Loads of positions before CIM.

The physical, which was fantastic, was made even better by Caitlands attitude.

Caitland is really easy to visit, drop dead sexy, great in bed and really relaxed. Shed loads of compliments and made me feel that she really enjoed seeing me.

A revisit is due very soon.
