The Premises:

as previously reported, clean well run establishment with discreet entrance. shown into bedroom with two large mirrors.

The Lady:

anna is a mature english lady with a pretty "cheeky" face, shoulder length straight black hair, a fine figure with medium but well shaped boobs. (this establishment has not let me down yet)

The Story:

opted for the half hour session, (gave ?2 tip for maid not a requirement here). straight into a great snog, which was a bit of a surprise. anna stripped from her sexy undies & onto the bed. where after a little more stimulation she gave me a good blow job. into a prolonged session of mish which was fabulous. more stimulation & into cowgirl. anna was only too pleased to go gently with this which enhanced it for me. stayed with this position till the maid knocked for time. during the entire time i was able to have a conversation with the lady (which stopped the low key fake moaning which i do not appreciate) & she was able to give me pointers on my technique as well as being great company. i whole heartedly recommend this lady i suggest she is an ideal punt for a first timer or someone looking to improve their performance.
