### The Premises:

I booked a nice hotel on the edge of Inverness, so there were no problems there.

### The Lady:

Tall, curvaceous with Long brown hair. Stunning eyes!!! There are no photos of her face on her website, but I certainly wasn't disappointed.

### The Story:

Started the evening with drinks then adjourned for dinner. Found Amanda to be very easy to talk to and very attentive. After dinner adjourned to our room to enjoy a bottle of wine as we got to know each other much better ;-)

It's not my style to go into detail. Suffice to say that Amanda gives you 100% of her attention and kissing Amanada is a joy. Amanda is clear about her services on her web site, so I knew in advance what we could get upto. Being a little reserved, Amanda seemed more than happy to take charge, but after some encouragement I was soon able to say what I wanted and indeed got.

If all encounters with other Ladies are half as good as this I know that I have a good time ahead :-)
