The Premises:

The Honeypot is well known, it is clean, the showers work and it is an ok establishment. The entrance is very much on the road but it is ok.

The Lady:

I actually wanted to see one of the other ladies but got the name wrong so "in for a penny" or rather more than a penny. She is mid 20's about a size 10 and a little bit curvy.

The Story:

got to the room and she went while I got sorted, when sh got back she turned from a "working girl" to ASDA with this huge list of extras, greedy boy special, greedy quickie special, friday special etc etc and it really put me off, so stuck with the basic. she massaged me for about 10 minutes (half heartedly) she was clearly miffed I was a basic not a Friday Greedy Boy, I turned over she whipped a condom on me and sucked me till I came. gave me a towel and I dressed and left.
