### The Premises:

As previously reported clean, discrete, safe and welcoming.  
The girl on reception is a stunner

### The Lady:

Blonde hair with dark streaks, fit tanned and toned body with natural boobs.

### The Story:

Chantel came into the room looking great in a little black body and killer heels. She started with a short massage then onto fantastic o.w.o ( Chantel is a Mancunian lass and claims to give the best bj in the north west, I certainly would'nt argue ) then moved onto r.o and shag in doggy and mish. Chantel has a fantastic personality and gives a real girl friend experience. I left exhausted and happy, I will definately be back.
