The Premises:

Clean Flat, ok area, was safe, but quite a busy road!

The Lady:

5'3ish petite girl with a sexy body, dark coloured skin, not the best looking girl, but not that bad either, small tits, nice tight pussy.

The Story:

Overall this was a good punt and Priyanka has a nice tight pussy and i felt every moment, although she did not let me do her doggy style as she said the ?60 service was for straight sex only, however other ladies at this establishment offer various positions at the same price. Was tempted for reserve oral, but was in a hurry so had to go. Might return to give her pussy a taste.

Service Provider's Rebuttal

The establishment writes:

Thank you to the author of this report. We did not have a clue that Priyanka thought she should only offer one position for ?60 for the twenty minutes service. We did speak to her after reading this report and she genuinely misunderstood. She now knows how many she can offer and will not be repeating that mistake in future.
