Very pretty, petite young girl. Small breasts, lovely rounded bum, slim waist. Cheerful with lots of smiles. All round fantastic package!!

The Story:

My second visit to see Roxy in a week speaks for itself. She welcomed me warmly with lots of kisses, and i enjoyed removing the little clothing she wore. Moved onto the bed with lots of caressing and playing. She then used a blindfold on me and proceeded to tease me by playing with and licking my balls and cock. Very arousing! Covered up and then into cowgirl with lots of kissing which was great, and then some doggy. Roxy has a very slim waist and full rounded bum which is such a turn-on. Finally turned over for intimate mish and a very satisfactory conclusion, squeezing me inside which felt great.

No rush to get rid of me, with the bonus of a shower together to finish a great time with a lovely young lady. Roxy did her best to make the time special for me, and seems to enjoy herself. I just hope she did because i will be back!!
