The Premises:

Very welcoming parlour. Receptionist was very friendly, as are the owners (i assume) who i've met on previous occasions. Exceptionally clean & basically a nice place to get ya leg over!

The Lady:

Very shapely & cute. Attractive girl with a figure built for fun! My personal preference, dark hair & features.

The Story:

I'd say this was possibly one of my least active punts. Strange as that may sound. I just found Sasha a very honest & open girl, so the normal chit-chat seemed to develop into a full blown conversation. That's not to say we spent the whole time chin-wagging - i assure you, she's way too cute for that! I do like a girl who can converse though & Sasha seemed happy to let me in on a little bit of her private life, which for me, just endeared me more & made her that much more of an attractive girl. Well, that & her gorgeous suckable nipples of course! I don't often find a girl who makes me want to go back - all those sweets in the sweet shop to taste & all that, but i'm sure i'll be going back here.
