The Premises:

The Flat is fine in every respect and even better if the Lift is operational!

The Lady:

The Kidman thing is a bit misleading ? this Nicole is very attractive in her own way, and it?s a pity the Agencies have tried to show her as something that she isn?t ? the Reality is far nicer than the photoshop stuff.

If you are a ?big boobie boy?, keep well away because you will be disappointed, as reported, elsewhere ? I think she is wonderfully appointed.

The Story:

If Nicole is treated sensitively, she responds magnificently ? this, to me, is more than half the joy of meeting these Lovely Girls.

I would think that the menu is pretty extensive but because of my fairly conventional tastes, the main course is quite enough for me.

Totally Delightful.
