The Premises:

Club Classique now have a flat down the road, which is where I got to go and I must stay it is far better than the old place. Nice and secure, plenty of street parking.

Room had a big round bed in it, big sofa and TV. Far more spacious and roomy.

The Lady:

Wow! Wow! Wow! Sky is a really beautiful girl, certainly one of the prettiest I have seen on my punting travels. She is 5'7", size 8, 34C. She has long blonde hair, which was curly and fell in long ringlets. All over tan. She has one of the cutest faces with a big beautiful smile and big dimples. She has big blue eyes.

Quite simply this girl is stunning!!!

The Story:

I love every minute of my time with Sky. Not only is she naturally very beautiful but this goes beyond skin deep - which is where it stops with many girls.

She was fun, entertaining, happy to chat away about this and that.

She was a perfect hostess, kept you entertained, laughed at my jokes and had a big smile on her face all the time. But her personality and attitude were first class.

Started off with giving me a massage, then went on to OW, RO, sex, kissing, finishing off by hand and then another massage.

I see quite a few similarities with Sky to a certain blonde who went to Australia!! She has only been there for 5 weeks, and I think is already making an impact - think this will be her 6th report and I would expect plenty more she is a star in the making.

10/10
