The Premises:

Clean clean small semi-det house on mainish road - Parked outside. Encounter room was back bedroom upstairs with double bed, large mirror and fish-tank.
Felt safe as houses.

The Lady:

Mid 30s, not good at figuring ages. No idea of dress size but she's definitely not skinny and she's not fat either, just right I think. Brunette with lovely well defined nipples and areolae. She's about 5'3? in her stockings. Lovely looking girl.

The Story:

I've been seeing Kate for some years now and I thought it was time I wrote an FR as she gives an excellent service. She has a quirky sense of humour, I make her laugh so it must be quirky. Whenever I think of her it's a pose I noticed once, she's wearing shoes, glasses and nothing else and she's pulling her hair back to put it up prior to getting down to business, beautiful. She also has a nice way of putting on the condom using her mouth.

She gives one of life's better massages and you should not turn it down. What more can I say except that half an hour with Kate makes you forget all the crap and you come away feeling mentally and physically refreshed.

For the technically minded it's a covered bj and everything else pretty straightforward, leastways I think it is I've never asked for anything else. Enjoy.
