The Premises:

Room in a shared house, very close to the tube station. Was actually very discrete and area seems quiet. Parking around the corner. Room was clean and Eva obviously lives here.

The Lady:

Eva is Polish brunette in her early 20's. About 5'5" tall with a young firm body. Approx dress size 10 - maybe a 12. Shoulder length hair and firm breasts. Previously described as a girl next door type which is a fair description.

The Story:

Good value for money, Eva really gets into the action and has a great body to go with it. Loves receiving oral and gets very wet. Also loves to shag hard in various positions. This girl demands a solid man with stamina.

Eva's spoken English is that strong but her service was very good and I will see her again.
