### The Premises:

Nice parlour, dark sexy decor and quality beds. This place used to be called Sensations but was sold on and refurbished well. Prices are higher now but girls generally are of a high standard.

### The Lady:

Carmen is a South American stunner. Tanned complexion with shoulder length black curly hair. About dress size 8 -10, 5'5" tall and fabulous tits although they have been enhanced. Very Very attractive lady, looks like she stepped of an American porn set. Fantastic figure, gorgeous arse.

### The Story:

Had a ver hot session with Carman who appears to enjoy sex, however very little eye contact so no personal connection. Loves receiving oral but no fingures. Moans and whimpers seemed real and she soaked the towel when she cums. Massive wet patch.

Loves her bum being licked and seemed to cum again with a tongue inside her rear.

Sex in a few positions but she looked so good I was more interested in looking at her body in action that cuming myself.

Will be back soon, one of the best in this area.
