The Lady:

Jade is really sexy. Probably size 12 and looks a bit like The Jade but prettier. She has very pale skin but is really curvy with good legs, flat stomach and nice tits/nipples

The Story:

I was offered 3 ladies but chose Jade as she appealed at first sight. She was very friendly and gave me a tingly sensual massage. Excellent use of finger tips and used close body contact. When I turned over on to my back she immediately caressed my cock which was by then standing erect. Excellent handy work and I felt as though I was going to spirt too early. She bagged me up then mounted me. She rode me well whilst I massaged her clit and she came rather noisily.

I requested doggy so she knelt down and I inserted the old man up to the hilt. As I pounded her I could see her tits swinging in the mirror. Lovely arse. After a few minutes I shot my load up her. One of the best orgasms.

Definitely return as I fancy some Mish. Jade likes kissing and is very sensitive. Lovely girl
