The Premises:

Very nice parlour on main Nantwich rd. Smart and welcoming inside

The Lady:

Friendly lady with nice smile, very slender figure with nice small bottom.

The Story:

Very mediocre punt. skipped the massage and went for a kiss or cuddle, no interaction from Ruby was like cuddling a thin sack of spuds. kissing was poor. Id rather she didn't say she did kissing and cuddling if thats what its like . Paid tenner for Oral without. Very poor technique as she is one of these girls who concentrates on wanking the cock while its in her mouth, quite vigourosly too, with very little movement of the mouth up and down. So it leaves you on the brink far too early. Hence straight into mish, a few false moans from her and bang..
