The Premises:

Kandy's is well managed, clean and always welcoming.

The Lady:

Her photographs reflect the reality that she is a curvaceous, delicate, rapturous, captivating and beautiful black girl. The photos do not do her justice, but successfully reflect her attributes and personal and physical magnetism.

The Story:

I have been going to see Laila for some time, and find each visit to be both memorable and special. She is by nature friendly and warm and her service is erotic, sensuous and sensitive. She is always immaculately presented, fresh of presentation and delicate of touch. Her ability to set people at ease is evident and welcoming. I would not wish to enter into detail of our activities, suffice to say that it never disappoints.

As always just writing this makes me feel that I want to keep her secret to myself and is one reason why I have not reported on her before.
