The Story:

I had the half hour all inclusive service. I was offered a shower and a drink upon arrive. I was shortly joined by Lara who started on my back. as she massaged, she kissed me on the back. She then turned me over and worked her way down to fondling me.

She then started to kiss (and she really is a good kisser) and worked her way down to the little man before putting it in her mouth. I had to tell her to stop as I was really getting aroused. She then jumped onto me and took me all the way whilst kissing and whispering things in my ear. This girl really made me feel special
