The Premises:

Town centre property which appears perfectly safe. Immediate entry off the street then inner door. Clean and pleasant rooms with ac unit on this hot day.

The Lady:

Ashanti is a beautiful black lady whose current pictures don't at all do her justice.

The Story:

Couldn't have been better. I left the bathroom after a shower just as Ashanti was coming up the stairs and everything chimed just as well from then on.

It was easy to get on very well with Ashanti as I fancied her hugely on first site and nothing was too much trouble for her - in fact she initiated almost everything and they were all what I would have wanted. In fact I was the one who asked for a cuddle rather than a massage and Ashanti turned it into a long snog with roaming hands.

Very sensual O and then 69 which had a good effect on both of us, then pretty demanding sex in mish and doggie to a successful ending.

Brilliant time.
