The Story:

I really enjoyed my time with Sonia. She was talkative and bubbly and obviously responded well to someone conversating with her (this is a dig at someone who gave her a negative report!). If we had just talked for the time I was with her I think that I would have left happy!

Anyway, knowing that time was slipping away she soon enthusiastically got me in the mood with some covered O which was superb! After getting me up she asked me how I wanted to do it and I asked for her on top. She has a beautiful smile and lovely tits so got the best of both as she made me come in no time.

Sonia says that she will be calling it a day soon and I suggest that you pay her a visit as she is a diamond!
