The Premises:

Well described before, excellent venue.

The Lady:

Lovely mid 20ish well educated long haired blond lady with an amazing infectious smile, about a size nine or ten with about 34dd, great body all round and beautiful blue eyes.

The Story:

With the 'business' out of the way we started with her massaging me followed by ow and then onto sex in forward cowgirl then into mish.

After a few minutes of this I couldn't hold back any more and came heavily and heavenly!!!

We then chatted for a while, and I then massaged her which led on to a discussion about round two and I enquired about anal, but she thought I was a bit big for her! So we started with more ow then we moved into doggie, thrusting into her pussy and watching in the mirror was very nice and this proceeded for quite a long time, until finally I withdrew she removed the condom and we finished off with us both playing with my manhood.

So to sum up quality time spent with a smiling fun packed sexy lady!

Also Donna gives good instructions on how to use the shower, which I could not seem to get the hang of!!!
