### The Story:

iv visited roxy previously due to earlier reports and this woman is truely exceptional. each time different. after a short wait for her to change she entered in a tight black dress emphasising every gorgeous curve. after plenty of heated caressing and teasing with tongues and her favourite toy she stood on the bed only in shoes and squeezed oil down her body...roxy asked me to lay on the bed, licked and kissed my body before spinning round for amazing 69. slipped on the hat and i dont know how to start on describing the sex...truely pleasure. mindblowing. a genuinely sexy young woman full of surprises and great views
