The Premises:

A major chain hotel. Easy to find and to park. Access to rooms easy and anonymous.

The Lady:

Samantha is in her mid-thirties, although her well toned and perfectly formed size 10 could easily belong a much younger woman. About 5'7" very attractive and leggy, she has long mid-brown hair, sizeable natural breasts and a pert posterior to die for.

The Story:

Samantha is not only very attractive, but intelligent, personable, confident and amusing, and skillful in the physical arts. She is therefore the perfect appointment for the man who is seeking more than a 'splash and dash' experience, and gets very close to the much vaunted 'girlfriend experience' except she is rather better at what she does than most girlfriends. I have been seeing her for some time, and will continue to do so for the foreseeable future.
