The Premises:

Although tricky for someone as directionally challenged as me find with directions alone, Dolly came to meet me close by (thank you!) so it wasn't a problem. The flat itself is as unique as Dolly herself. Candles, soft music, very atmospheric and cozy.

The Lady:

Dolly is just so much more than some numbers and measurements, so I couldn't do her any justice by describing her in such terms. Her website(s) will give you a much better idea of the lady in terms of style and humour as well as looks. Rest assured though, Dolly is a beautiful lady indeed.

The Story:

Being the nervous type, I was a little worried about meeting Dolly. But within 10 minutes, all my concerns had disappeared without trace. She made me feel welcome and relaxed in no time at all. Dolly is so vibrant and full of life, you just can't help but be drawn in by it. We had so much fun, filled with laughs and silliness along with flowing conversations about all sorts of things. Dolly really is a pleasure to be with.

My time spent with Dolly was filled with many delights and I don't think it takes too much imagination to figure out what I mean. If you want a "drop tanks" type session, then I suggest looking elsewhere. If you want a truly sensual time filled with seduction and fun then Dolly is the lady you want to see. She is just amazing in everything she does. Inventive, enthusiastic, responsive, sensual and damn sexy with it. Probably the best kisser I have ever met too. Also, to be cuddled up in each other's arms is just a special feeling I won't forget.

In short, Dolly is absolutely wonderful - end of. I have nothing but great words and the highest praise for this lady, who put a smile on my face I still can't get rid of. I know it sounds gushy, but it's true. This lady is special.
