The Story:

Jodie is very attractive, friendly and chatty. I opted for the GFE as this included OWO, and after sorting out finances I had a quick shower. When Jodie returned she started with a back massage, and was happy to chat in a relaxed way. She then turned me over, and immediately got to work sucking my cock, which was excellent - lots of licking of the shaft and ball massage. After some soft kisses she laid back and I had a brief play with her lovely tits, and shaved pussy. I like to watch a girl play with herself, and Jodie was happy to do this, and seemed to be enjoying herself. The sight of this soon had me really aroused, and although I would have loved to fuck her first, I really needed her to suck me off, which she happily did. All in all an excellent punt. Highly recommended.
