### The Premises:

Been here a few times before. Always clean and welcoming. Was concerned at previous post re; Gemma. she's always been very frendly and great in the room. Must have been an off day. I've always found her fantastic and would def recommend her and the establishment. But each to their own.

### The Lady:

medium height, pretty face and great tits. very good body, lots of curves but NOT fat. Just perfect.

### The Story:

I've seem Amber a few times and she's always been very responsive. happy to take the lead, doesn't just lie there, and is chatty and frendly. great BJ and tight pussy (really) ! highly recommended
