The Premises:

Ground floor flat on main road. Clean, tidy - nice shower.

The Lady:

Katya is a very pretty Polish brunette in her mid twenties. Sparkly eyes and a nice smile. Lovely slim smooth body and pert breasts. Knockout!

The Story:

I was greeted with a warm smile and very friendly kiss on the lips. An offer of a drink followed after being shown into the bedroom. Katya then proceeded to make an old man very happy with a relaxed, prolonged and fun session of sex and frolicks. Her English is very good as is her skill and technique. No shy or sulky teen this, but a very attractive woman who enjoys her work and makes you feel special for the time you are with her. I thought she was great and I would definitely go back
