### The Story:

Im going off independants this is the second time in a row Ive been let down by different girls(see my first report). Out with back up phone numbers and the agency got me Amy at short notice. In a way my lucky day. After sorting out the cash I wanted a quick shower but ended up having a bath with Amy. Im not sure if I enjoyed it or not, it was unexpected and my first time sharing a bath. What I did enjoy was the blowjob one of the best ever and to completion, my toes really did curl. After drying ourselves, onto the bed with a bit of cuddling and mutual carressing till I got my strength back. Then on to the main course.....A very enjoyable hour. Three little nitpicks, no kissing, no pussy licking(I think she was still recovering from previous night) and she was a clock watcher, I was out on the dot.
