The Premises:

This is a well reported parlour, on the main Leeds road next to Akbars Asian Quisine the parking outside is good and there is also a rear entrance to this parlour and ample parking there to.

The parlour is clean and friendly and new showers have recently been fit to the room.

Receptionist makes you welcome and a choice of beverage is on offer.

The Lady:

Nadine stands at 5/7 and supports a very nice hour glass figure that can only be described as in need of worship.

Nadine has beautiful raven colour hair down to the middle of her back supporting an all over Body tan.

and a gorgeous pair of breasts oh natural about 36cc at a guess.

she would hold her own stood next to a model in any competition but don't take my word for it see for your self.

The Story:

I arrived having had a awful morning and decided to have some fun and relaxation at my local parlour.

I sat on arrival and had some tea made by Nichole one of the girls whom I had seen previously, spoilt for choice here today because Lucy was also on rota who I also had seen some months ago so I plumped for the new girl,

Boy was that the right decision, she is magnificent in the room moving from massage back and front to reverse cow and on to plenty of fore play both ways and on to cowgirl finished by missionary.

The really nice touch I have not received here before is that she insisted in cleaning me down and taking care of me after on returning to the lounge she made me another cuppa and then I left. for the first time ever I'm thinking of going back after for round 2 I was that impressed another jewel in the crown at this establishment.

thank you Nadine xx The Chef
