### The Story:

Probably the best punt of my life, Tyler was relaxed, chatty, great company. The sex was great; I spent a while down on her delicious wet pussy, watched her finger herself then enjoyed a very sexy looking and feeling covered blow job. I wanted to have sex with her but I enjoyed the bj too much and blew my load in her mouth. We spent some time chatting afterward. No hurry at all. I will be back as I really want to see how tight her sexy little pussy is :)
