### The Premises:

A clean and pleasant apartment in the centre of the town. Parking in an adjacent multi-story close to shops and restaurants.

### The Lady:

Pia is a curvy lady, past the first flush of youth but very attractive nevertheless. She has longish hair with blond highlights and distinctive blue eyes.

### The Story:

Personable, bubbly and very easy to get along with, I soon felt I had known Pia for ages. An initial chat, was soon followed by skillful oral, then reverse oral. Pia is fully shaven and very responsive to a gentle use of the tongue. There was a lot of kissing and cuddling interspersed with easy conversation. Finally Pia rode me gently before switching to missionary to finish. The hour flew by and I was very pleased that I had finally got to see Pia, having been promising myself this treat for some time. I would certainly see Pia again if I was close to Hemel Hempstead, but it is rather a trek to do so regularly.
