Cannot wait to revisit.

The Story:

The Gentle Giant was well satisfied with one of his top ten encounters of a lifetime. Covered O. Well received RO, amazing doggy.

This lady is fantastic. Flair is now my absolute parlour of choice.

The best girls, the best experiences, the best hospitality.

The refurbishment of rooms is making the place even better.

Incidentally, my previous reports didn't make it clear about the smoking and non smoking areas.

These are there and you don't go home smelling of cigarettes.
