The Story:

Joanne arrived on time, presented nicely showing off her tanned legs and a little midriff. But covered enough to keep the intrigue and be respectable.

We got to know each other over a wine during the first hour and she was easy to talk to, a good listener and offered good conversation.

The second hour was spent upstairs and Joanne clearly enjoys her work, and so she should as she is pretty darn good at it! Suffice to say I was sad when time ran out, as Joanne took me to a dream place with lots of kissing, cuddling and a few other things that you might expect! I'm saving up for the next encounter already! ;)
